Striving to become the most influential blockchain association on the planet.
September 2022 Sponsorship

GBA is building a blockchain opportunity for all nations, reinstating trust in our government. Your support allows us to present world-class events with cutting-edge education, enabling policymakers to understand the technology that they regulate.

Who We Are

GBA has thousands of members in hundreds of cities • 50 blockchain working groups • Professional collaboration technology • Member promotion capabilities • Training & certification programs • Directories of people, organizations, products, and services • Networking opportunities

Our goal is to bring the private and public sectors together to connect, communicate, and collaborate over everything blockchain.

“Where are our Men of abilities? Why do they not come forth to save their Country?”
— George Washington
Thursday Keynote

Blockchain & Infrastructure will have only one Keynote speaker. On Thursday afternoon, just before the conclusion of the first day, one Keynote speaker will bring it all home. Leave the audience with their final impression. Be the speaker that they remember.

Thank you for your Sponsorship

With the increasing number of events happening in cities around the world, GBA seeks to create unique and innovative experiences that stand out from the crowd.

None of this would be possible without the support of our sponsors. Our goal is to bring the public and private sectors together to connect, communicate, and collaborate. We invite you to be part of the movement.

“When you’re good to others, you’re best to yourself.”
- Benjamin Franklin
